Remarks by Spokesman of Islamic Emirate concerning rumors of talks with Kabul administration in Saudi Arabia

in Statements December 29, 2018 128 Views

Some media outlets have published rumors that the representatives of the Islamic Emirate will hold talks with those of the Kabul administration in Saudi Arabia.

These rumors are baseless. The position of Islamic Emirate concerning talks with the Kabul administration remains the same and has not changed.

We are advancing negotiations process with the United States under a strong and extensive plan to bring an end to the occupation of our country Afghanistan.

It is hoped that the negotiations process is not dealt with carelessly nor anyone given false hopes. As the United States has entered into the negotiations process with the Islamic Emirate therefore it must be advanced in a serious manner and not used as propaganda material.
