‘Four American Crusaders Killed In Somalia’

19 Muharram 1442H (07 September 2020) – On Monday 19 Muharram 1442H, corresponding to 07 September 2020, forces from Harakat Al-Shabaab Al Mujahideen carried out a successful Martyrdom operation against a convoy of American crusaders and apostate forces, killing four U.S. crusaders and injuring others. The Mujahideen also killed more than 16 apostate forces and injured 12 others in the attack.

The Martyrdom operation, which occurred near Janaay Abdalle village, 60 km West of Kismayo, in the Lower Jubba region, targeted American troops, inflicting heavy losses on the crusaders and their apostate allies and destroying three American military vehicles, by the permission of Allah.

Acting on precise intelligence reports, the Mujahideen conducted the martyrdom operation in accordance with the directive of Allah to kill the disbelievers wherever they are found and expel them from Muslim lands.

For several years, American forces have been waging a concerted campaign of drone strikes against the Muslims of Somalia, particularly in the Islamic Wilaayaat, deliberately and systematically targeting densely populated areas and indiscriminately killing innocent Muslims. Owing largely to the lack of transparency and effective oversight, coupled with the American military’s blithe disregard for human life, U.S. drone strikes continue to murder the Muslims of Somalia with impunity. When confronted with the truth of their heinous crimes, the U.S. military – an army without morals or ethics – continues to deny the death and destruction it rains down upon the unarmed civilians of Somalia, despite the overwhelming evidence to the contrary.

Through deceptions, distortions and outright fabrications, United States Africa Command (U.S. AFRICOM) has resorted to an incoherently coordinated campaign of disinformation, denial and deception in order to manipulate perceptions, sway public opinion and neutralise the international opposition and controversy surrounding their barbaric campaign of drone strikes against unarmed civilians in Somalia.

US AFRICOM’s deliberate attempt to hide the deaths of U.S. soldiers in today’s attack, their utter denial of the hundreds of civilian deaths in their ruthless aerial bombardment as well as their futile attempts to conceal the reality of their occupation of Somalia from the public are all evidence of this disinformation campaign. US AFRICOM has also previously failed to acknowledge the full extent of their losses and the casualties of U.S. soldiers in previous attacks such as Ballidoogle and Manda Bay.

The American government, guided by its intrinsic hatred of Islam, still sees it fit to wage wars in Muslim countries, spending millions of dollars of their taxpayers’ money in the process, rather than reforming the institutional racism that gnaws away at the heart of its society and combating the corona pandemic that has affected millions of its citizens and continues to threaten many more.

Harakat Al-Shabaab Al Mujahideen vow to concentrate their military operations on the American crusaders in order to defend their religion, land and people from all forms of invaders and their apostate allies. The Mujahideen strive to establish Shari'ah Law, safeguard the welfare of the Muslims against the vicious crusader campaign spearheaded by the U.S. and restore the dignity of the Ummah. The Muslim land of Somalia will, by the permission of Allah, forever remain a fortress of Islam, a sanctuary for every Muslim and a graveyard of every invading crusader.

And may peace be upon those who follow the guidance.
